Quality Austria is the leading Austrian contact for the Integrated Management System, based on quality, environmental and OH&S (occupational health and safety) management, and the topic of business quality.

We are committed to optimize the success of our customers and partners enabled by our services and consistent further development of management systems.

For this purpose, we offer system and product certification (<http://www.qualityaustria.com/index.php?id=2200&L=1>), verification and validation, training and certification of persons (<http://www.qualityaustria.com/index.php?id=2201&L=1>) as well as the Austrian Quality Seal (<http://www.qualityaustria.com/index.php?id=2202&L=1>). In addition to the Austrian Excellence Award we organize several forums, conferences and we have published numerous publications.
